

Committee of Adjustment Letter

March 06, 2023

57 & 59 Barbara Crescent Kitchener

To Whom It May Concern:

As the property owner of [REDACTED] I am reaching out to offer my support in favour of the minor variances proposed for the aforementioned properties. I am excited with the recent and future potential changes to our neighborhood this development, among others, has brought. I am very pleased that this proposal will bring new residents to the area, and I look forward to welcoming new investment to the neighborhood in the future. I hope that this letter conveys my support of the additional dwellings and my wishes to see them approved.

Thank you,

Tom Ferguson
