---

You don't often get email from . [Learn why this is important](#)

To whom it may concern,

We live next door at

We have received the plans for 204 Fifth Avenue kitchener.

Our concerns about the duplex turning into a triplex is parking,garbage,recycling.Currently there are 5 cars parking with the upper and lower tenants now,there wouldn't be any more parking spots available for additional tenants.

Best Regards,Rosanne Berwick
