

# Help shape Kitchener in the year 2051

## Notice of Special Meeting of Council to Initiate the Official Plan review (section 26 of the Planning Act)

The City of Kitchener is updating its Official Plan. The Official Plan is a long-term strategy for how our city will grow. It explains what types of housing will be built and where, as well as everything else that's needed for our growing community.

Do you have thoughts on how this growth should occur, both in your neighbourhood and across the city? Subscribe to our page at [kitchener.ca/OfficialPlan](https://kitchener.ca/OfficialPlan). You'll receive updates about opportunities to get involved and have the chance to review preliminary material as it becomes available.

The start of this process is happening soon, with a special meeting of council that **will be held on Monday, February 26. You'll be able to share** your initial thoughts or suggestions on what we should look at as we plan for Kitchener to grow and change between now and 2051. This is the first in a series of community conversations that will help shape Kitchener's Official Plan.
