# 4.1 Heritage Permit Application (HPA-2024-IV-002)

## 1385 Bleams Road

# 1385 Bleams Road

# 4.1 Heritage Permit Application (HPA-2024-IV-002) 1385 Bleams Road

# 4.2 Heritage Permit Application (HPA-2024-IV-003)

## 300 Joseph Schoerg

# 300 Joseph Schoerg

## Proposed:

- Demolition of existing deck and concrete slab
- Construction of one-storey rear addition (basement level)
- Reconstruction of deck with slight change to the previous footprint (extending approximately 4-feet further than original)

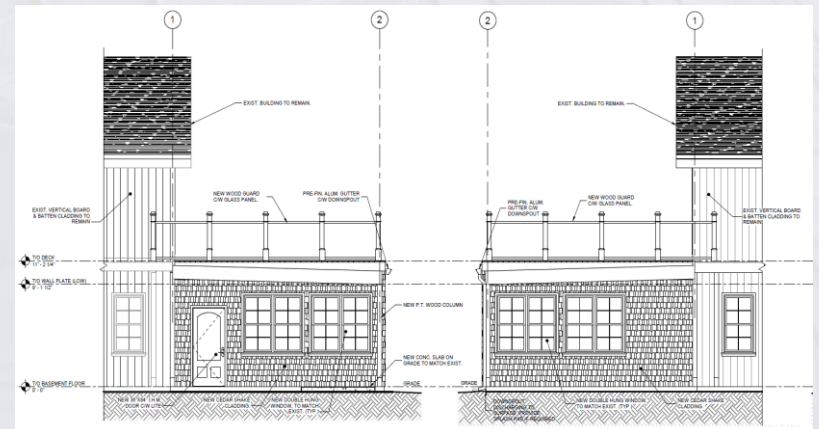

# 300 Joseph Schoerg

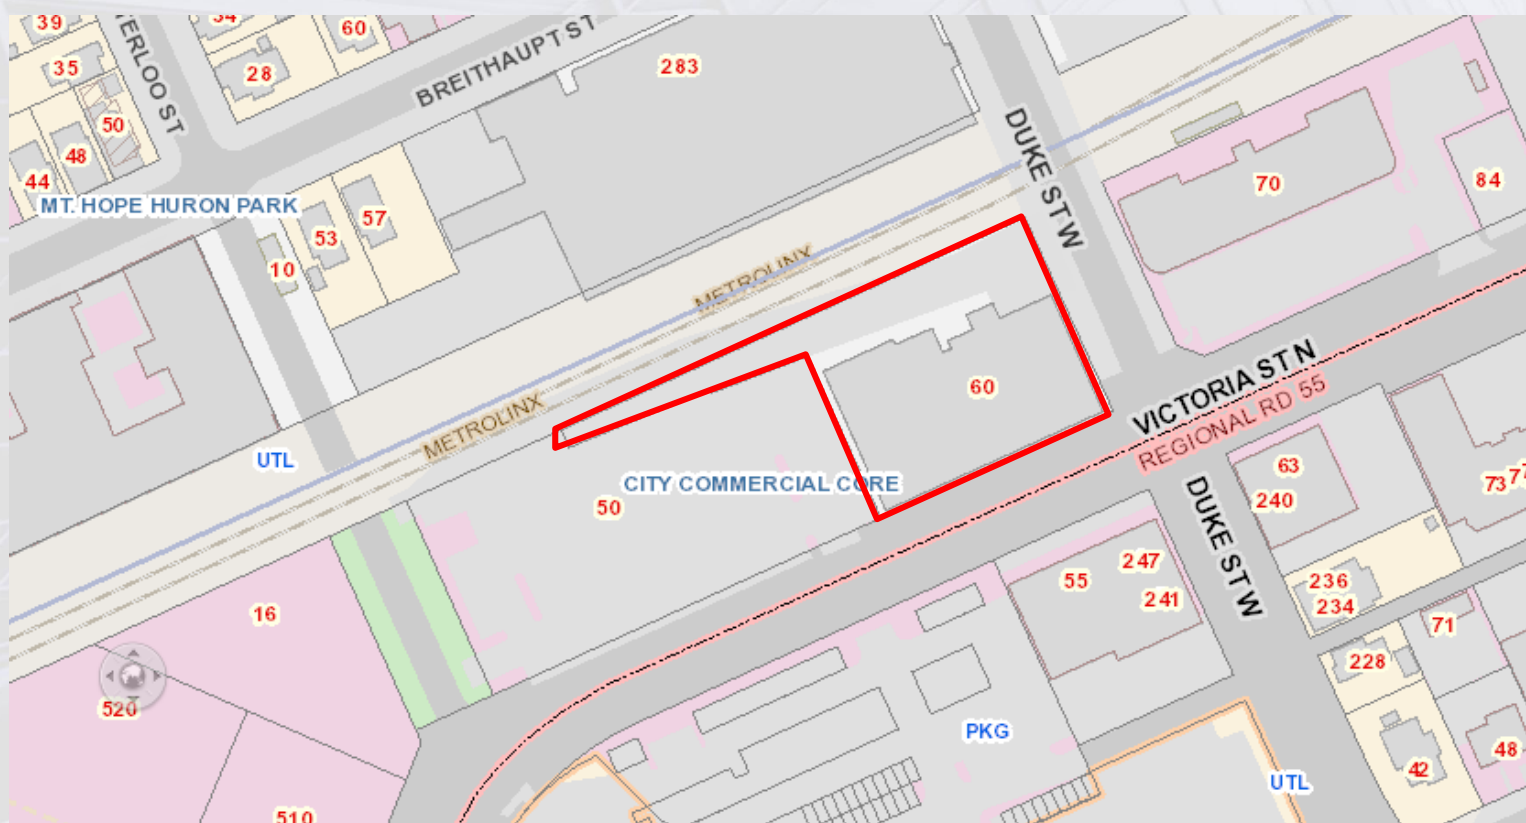

## In reviewing the merits of the application:

- Heritage attributes identified by the designating by-law relate primarily to the original farmhouse and the detached drive shed. The view is not identified within the heritage attributes list
- Deck and patio are located against existing rear addition which limits potential for accidental damage to occur to the fabric of the original farmhouse
- Proposed addition utilizes appropriate material, is compatible in design, and will not be visible from the street due to location, vegetation, and sloping topography

# 4.3 Notice of Intention to Designate 60 Victoria Street South

**6 of 9 Criteria Met**

## 4.3 Notice of Intention to Designate 60 Victoria Street South

### Design/Physical Value:

- Representative example of the vernacular industrial architectural style

### Historical/Associative Value:

- Connection to the felt manufacturing industry and several important members of the community including the Rumpel family
- Displays ties to regionally significant themes such as transportation, the manufacturing industry, and urban development.

### Contextual Value:

- Remains in its original location within the Warehouse District Cultural Heritage Landscape, home to several historic warehouses and factory buildings, and illustrates the connections between industry and the railroad
- Prominent location, massing, and proximity to street could classify this as a landmark

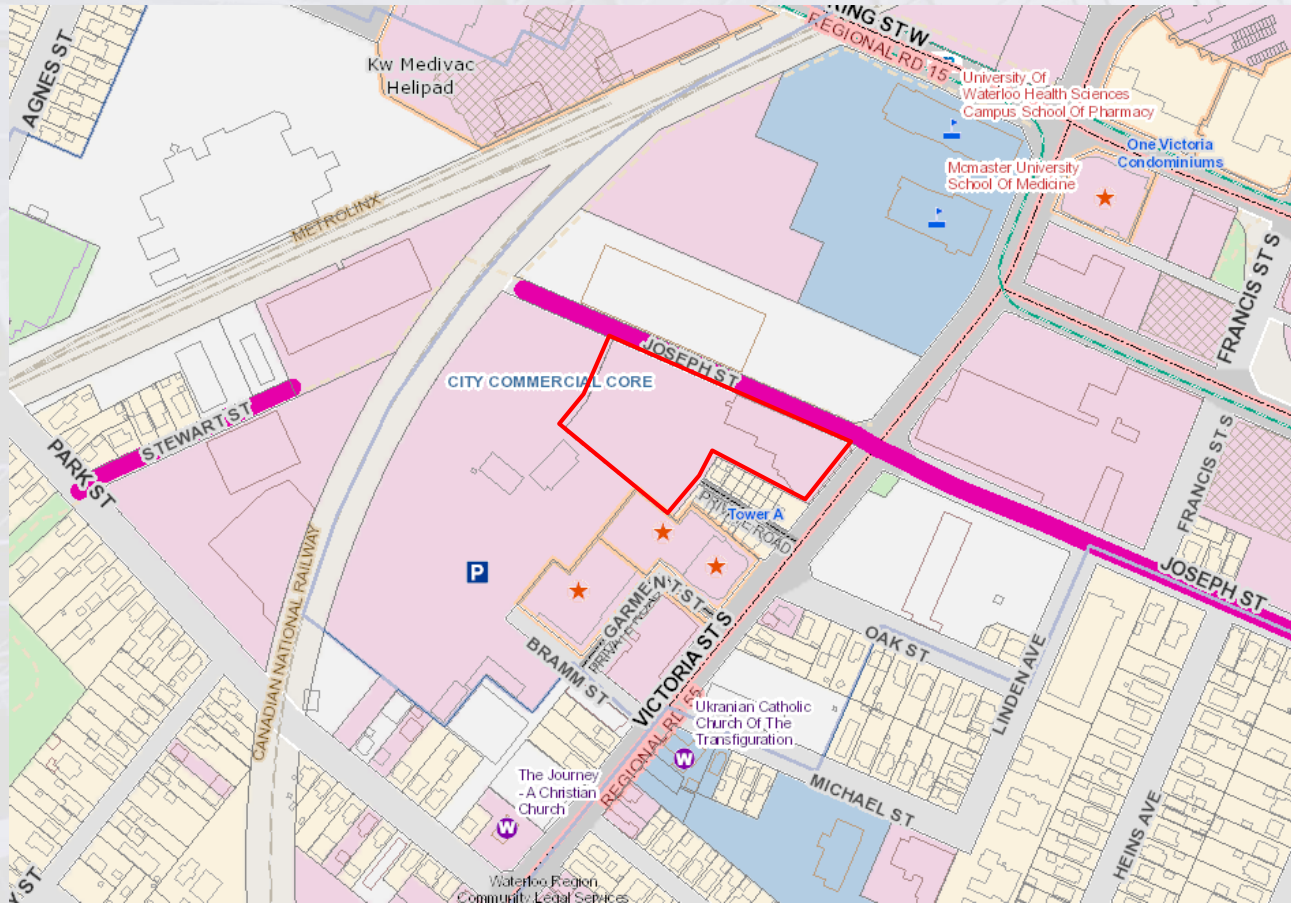

## 4.3 Notice of Intention to Designate 60 Victoria Street South

- Identified heritage attributes and values pertain specifically to the 1913 portion of the building
- A heritage impact assessment was completed in 2012 on behalf of the Region of Waterloo as part of the concept development for a Multimodal Hub which will include 60 Victoria Street North
- Staff from the Region is present to obtain feedback from the Heritage Kitchener Committee

# 4.4 Notice of Intention to Designate 72 Victoria Street South
