

NOTICE OF PUBLIC MEETING

for a development in your neighbourhood

20 Ottawa Street North

Concept Plan

Vacant Land Condominium

The City of Kitchener will consider an application proposing a Vacant Land Condominium (VLC) which will consist of 3 units and common element areas. A VLC is like a plan of subdivision except the road is privately-owned rather than publicly owned and lots are referred to as “units” in a VLC. Unit 1 will contain a future 29 storey tower with 301 residential dwelling units, unit 2 will contain a future 6 storey building with 120 residential dwelling units while unit 3 will contain a 4 storey building with 47 residential dwelling units. Internal drive aisles, landscaped areas, and walkways will make up the common elements.
