The City of Kitchener will consider an application proposing a Vacant Land Condominium (VLC) which will consist of 2 units and common element areas. A VLC is like a plan of subdivision except the road is privately-owned rather than publicly owned and lots are referred to as “units” in a VLC. Unit 1 will contain 264 Residential units, 3 live/work units and 1 commercial unit., unit 2 will contain 238 Residential units, 10 live/work units and 2 commercial unit. Internal drive aisles, landscaped areas, and walkways will make up the common elements.
