Hello I live in the townhouse on Connaught place. The construction will keep my mom up as she works nights. Why not finish the apartment by the zerhs near the highway it would house more people. As well as it's not gonna be geared to income for the low income people Sent from my iPhone

Good afternoon Brian,

I wasn't able to jump on the zoom meeting last night. I was wondering if its possible to have access to a recorded version if it exists?

Best Regards,

Doug

Jason,

We received a notice of a planning application and an invitation for a Virtual Zoom Meeting 06/10/24, regarding the property at 75 First Avenue, the concept drawing on the mail out is not legible, we have attempted to view the drawing on the planning applications website, but as of 06/12/24 the drawing is still not available.

Please advise when this legible drawing will be available for viewing.

Thank you
