Meter Readings

Gas consumption by each customer under this rate schedule shall be determined by periodic meter readings, provided that in circumstances beyond the control of the Corporation, such as strikes or non-access to a meter, The Corporation may estimate the monthly consumption between the meter readings and render a monthly bill to the customer.

Effective

November 1, 2024 for Supply rate. To change quarterly thereafter, as necessary.

January 1, 2025 for Delivery rate.

Policy Relating to Terms of Service

- 1) Gas purchased under this rate schedule shall not be resold, directly or indirectly by the customer, unless resold as “motor vehicle fuel gas”, as that term is defined in Ontario Regulation 805/82.
- 2) Customers who temporarily discontinue service during any twelve consecutive months without payment of the monthly fixed charge for the months in which the gas is temporarily disconnected shall pay for disconnection and reconnection.

|------------------|--------------------------|

2. Over-run Charge

Authorized overrun gas is available provided that it is authorized by the Corporation in advance. The Corporation will not unreasonably withhold authorization. Overrun means gas taken on any day in excess of 103% of contracted daily demand. Authorized overrun will be available April 1 through October 31, and will be paid for at the rate of 4.5813 ¢/m³ for the delivery and, if applicable, the federal carbon charge and the total gas supply rate of 13.13 ¢/m³.

Unauthorized overrun in any month shall be paid for at the rate of 10.8871 ¢/m³ for the delivery and, if applicable, the federal carbon charge and the total gas supply charge for system-supplied volumes at the rate of 13.13 ¢/m³.

3. Minimum Annual Charge

In each contract year, the customer shall purchase from the Corporation or pay for a minimum volume of gas equivalent to 150 days use of contracted demand. Overrun gas volumes will not contribute to the minimum volume. In the event that the customer shall not take such minimum volume, the customer shall pay an amount equal to the deficiency from the minimum volume times a rate of 2.497 ¢/m³ for the delivery charge and if applicable, a total gas supply charge of 13.13 ¢/m³.

In the event that the contract period exceeds one year, the annual minimum volume will be pro-rated for any part year.

Effective

November 1, 2024 for Supply rate. To change quarterly thereafter, as necessary.

January 1, 2025 for Delivery rate.

Policy Relating to Terms of Service

Gas purchased under this rate shall not be resold, directly or indirectly by the customer.
