Re: Application for Permission No. 415/24, Pursuant to Ontario Regulation 41/24.

The Grand River Conservation Authority approved your application on July 24, 2024. The permit and attached schedules are enclosed. The schedules form part of the permit and describe the work as approved by the Grand River Conservation Authority. Any changes to these plans must be reviewed and approved by Grand River Conservation Authority staff.

Please note that this permission is based on existing information, policies, and practices, and does not bind nor imply that any other permission will be forthcoming. Please review when the permit expires as per the attached permit and keep a copy of the permit on-site.

If you have questions regarding this letter or the conditions described on the permit, please contact Nicholas Stasiak, Regulations Officer, at (519) 621-2763 Extension 2323.

GENERAL CONDITIONS OF PERMIT

1. This permit does not absolve the permittee of the responsibility of obtaining necessary permission from applicable federal and provincial agencies or local municipalities.
2. The permittee agrees by acceptance of the permit:
 - (a) to indemnify and save harmless, the Grand River Conservation Authority and its officers, employees, or agents, from and against all damage, injury, loss, costs, claims, demands, actions and proceedings, arising out of or resulting from any act or omission of the permittee or of any of his agents, employees or contractors relating to any of the particular terms or conditions of this permit.
 - (b) that this permit shall not release the permittee from any legal liability or obligation and remains in force subject to all limitations, requirements and liabilities imposed by law.
 - (c) that all complaints arising from the proposed works authorized under this permit shall be reported immediately by the permittee to the Grand River Conservation Authority. The permittee shall indicate any action which has been taken, or is planned to be taken, with regard to each complaint.
 - (d) to provide certification of conformance to ensure compliance with the intent of the permit. This certification must be provided by an accredited professional and is to be submitted as may be specified in the permit.
3. Authorized representatives of the Grand River Conservation Authority will be granted entry at any time into lands which are the subject of this permit application in order to make such surveys, examinations, investigations, inspections or other arrangements which such representatives deem necessary.
4. The Grand River Conservation Authority may add conditions of approval or cancel this permit in accordance with the *Conservation Authorities Act* and/or Ontario Regulation 41/24.
5. This permit shall not be reassigned (non-transferable).
6. Permits are valid for up to two years unless otherwise noted on the permit. The maximum period of validity of a permit, including extensions, is 60 months. No notice will be issued on expiration of the permit, and it is the responsibility of the permittee to ensure a valid permit is in effect at the time work is occurring.
7. Requests to consider a permit extension must be received 60 calendar days before the expiry date on the permit.
8. The Grand River Conservation Authority may make copies of Schedule A and materials submitted in conjunction with Schedule A, as required, for the purposes of assessing the proposal and, where approved, to form part of the permit issued.
9. The Grand River Conservation Authority may request that GIS data files be submitted as part of Schedule A, to be used for business purposes pursuant to Regulation 41/24.

2024 Fee Notes

On April 1, 2024, the Prohibited Activities, Exemptions and Permits Regulation (Ontario Regulation 41/24) came into effect. This regulation replaces the Development, Interference with Wetlands and Alterations to Shorelines and Watercourses Regulation (Ontario Regulation 150/06). This Fee Schedule was updated on April 26, 2024 to reflect changes resulting from the new Regulation.

1. All fees are made payable and submitted directly to Grand River Conservation Authority.
2. Applicants are encouraged to consult with staff prior to submission of all applications to determine the extent and nature of the information required to accompany the application, and to determine the appropriate fee.
3. Applicants are encouraged to submit Permit applications through **the GRCA's online Permit Application System** after pre-submission consultation where appropriate.
4. Permit applications that fall into one or more categories will be charged one fee, at the highest rate.
5. Plan review applications that fall into one or more categories will be charged one fee, at the highest rate.
6. The Conservation Authority may provide a refund or require the applicant submit additional funds for a permit or plan review fee if it is found that an incorrect fee has been submitted.
7. Minor Categories – Low risk of impact on natural hazards. Plans required. No technical reports or site visits required.
8. Standard Permit Category – Moderate hazard risk and/or potential impact on natural hazards. Detailed plans required. Scoped technical reports and/or site visits required.
9. Major Permit Category– High hazard risk and/or potential impact to natural hazards. Detailed plans required. One or more technical report required (Environmental Impact Study, Hydraulic Analysis, Storm Water Management, Geotechnical, etc.). Development permit applications for: golf courses, trailer parks, campgrounds, lifestyle communities will be considered as a major permit.
10. Major Plan Review Category– High or Moderate hazard risk and/or potential impact on natural hazards. Detailed plans required. One or more technical reports (may be scoped) are required, and a site visit may be required.
11. Complex Plan Review Category - Planning Act (e.g. OPA/ZC) and/or Site plan applications for: golf courses, trailer parks, campgrounds, lifestyle communities.
12. Large Fill - The fee is applicable to material placed within the Conservation Authority's regulated areas. Grading associated with Planning Act approvals is not considered a large fill application.
13. Major permit applications that have previously paid application or clearance plan review fees to the GRCA will be charged fees under the Minor or Standard category.
14. Permit fees are non-refundable, except where review indicates that no permit is necessary.
15. Permit Extension – Permits are valid for up to 24 months unless otherwise specified on the permit. An application for an extension is \$90 and must be requested at least 60 calendar days before the expiry of the permit. Extensions will not be granted after the expiry date and will require a new application, full review, and the Schedule of Fees in effect at the time of submission will apply. The maximum period of validity of a permit, including extensions, is 60 months.

16. The subdivision or vacant land condominium base fee including per net hectare fee will be capped at \$30,000.
17. The net hectare fee will be based on the initial submission and will exclude lands outside of the development limit (e.g. natural hazard, natural heritage areas and buffers). Stormwater management facilities and other open space or park uses are to be included in the net hectare fee calculation.
18. At the submission of a subdivision or vacant land condominium application, 70% of the base fee and per net hectare is required. Prior to issuance of conditions of draft plan approval, the remaining 30% of the fee is required.
19. A Processing Fee will apply for a clearance letter for a subdivision or condominium application where no technical review/reports (e.g. no Erosion and Sediment Control plan, SWM brief, etc.) are required.
20. For Aggregate Applications, features of interest include all natural hazards including wetlands and watercourses.
21. Responses to Title Clearances, Real Estate and other Inquiries includes: Correspondence and mapping related to natural hazards and areas regulated under Ontario Regulation 41/24.
