Re: Kitchener Indoor Recreational Complex (KIRC)

To: To Whom It May Concern

The Kitchener, Ontario minor sports community are very excited concerning the announcements of the new Kitchener Indoor Recreational Complex.

In addition to the current announcement the possibility of having a quad gymnasium as additional opportunities for our Club (Kitchener TFC Soccer) and many others within the community only enhances our excitement and desire to have this facility built.

We capitalize our training and playing opportunities with the additional quad gym without question.

Notwithstanding the excitement this would create and fill with adding this to KIRC project.

Please consider all support to our Municipal Government for ensuring we can provide so much more to our community to benefit our youth and adult programs.

Thank you,

Tim Hart
