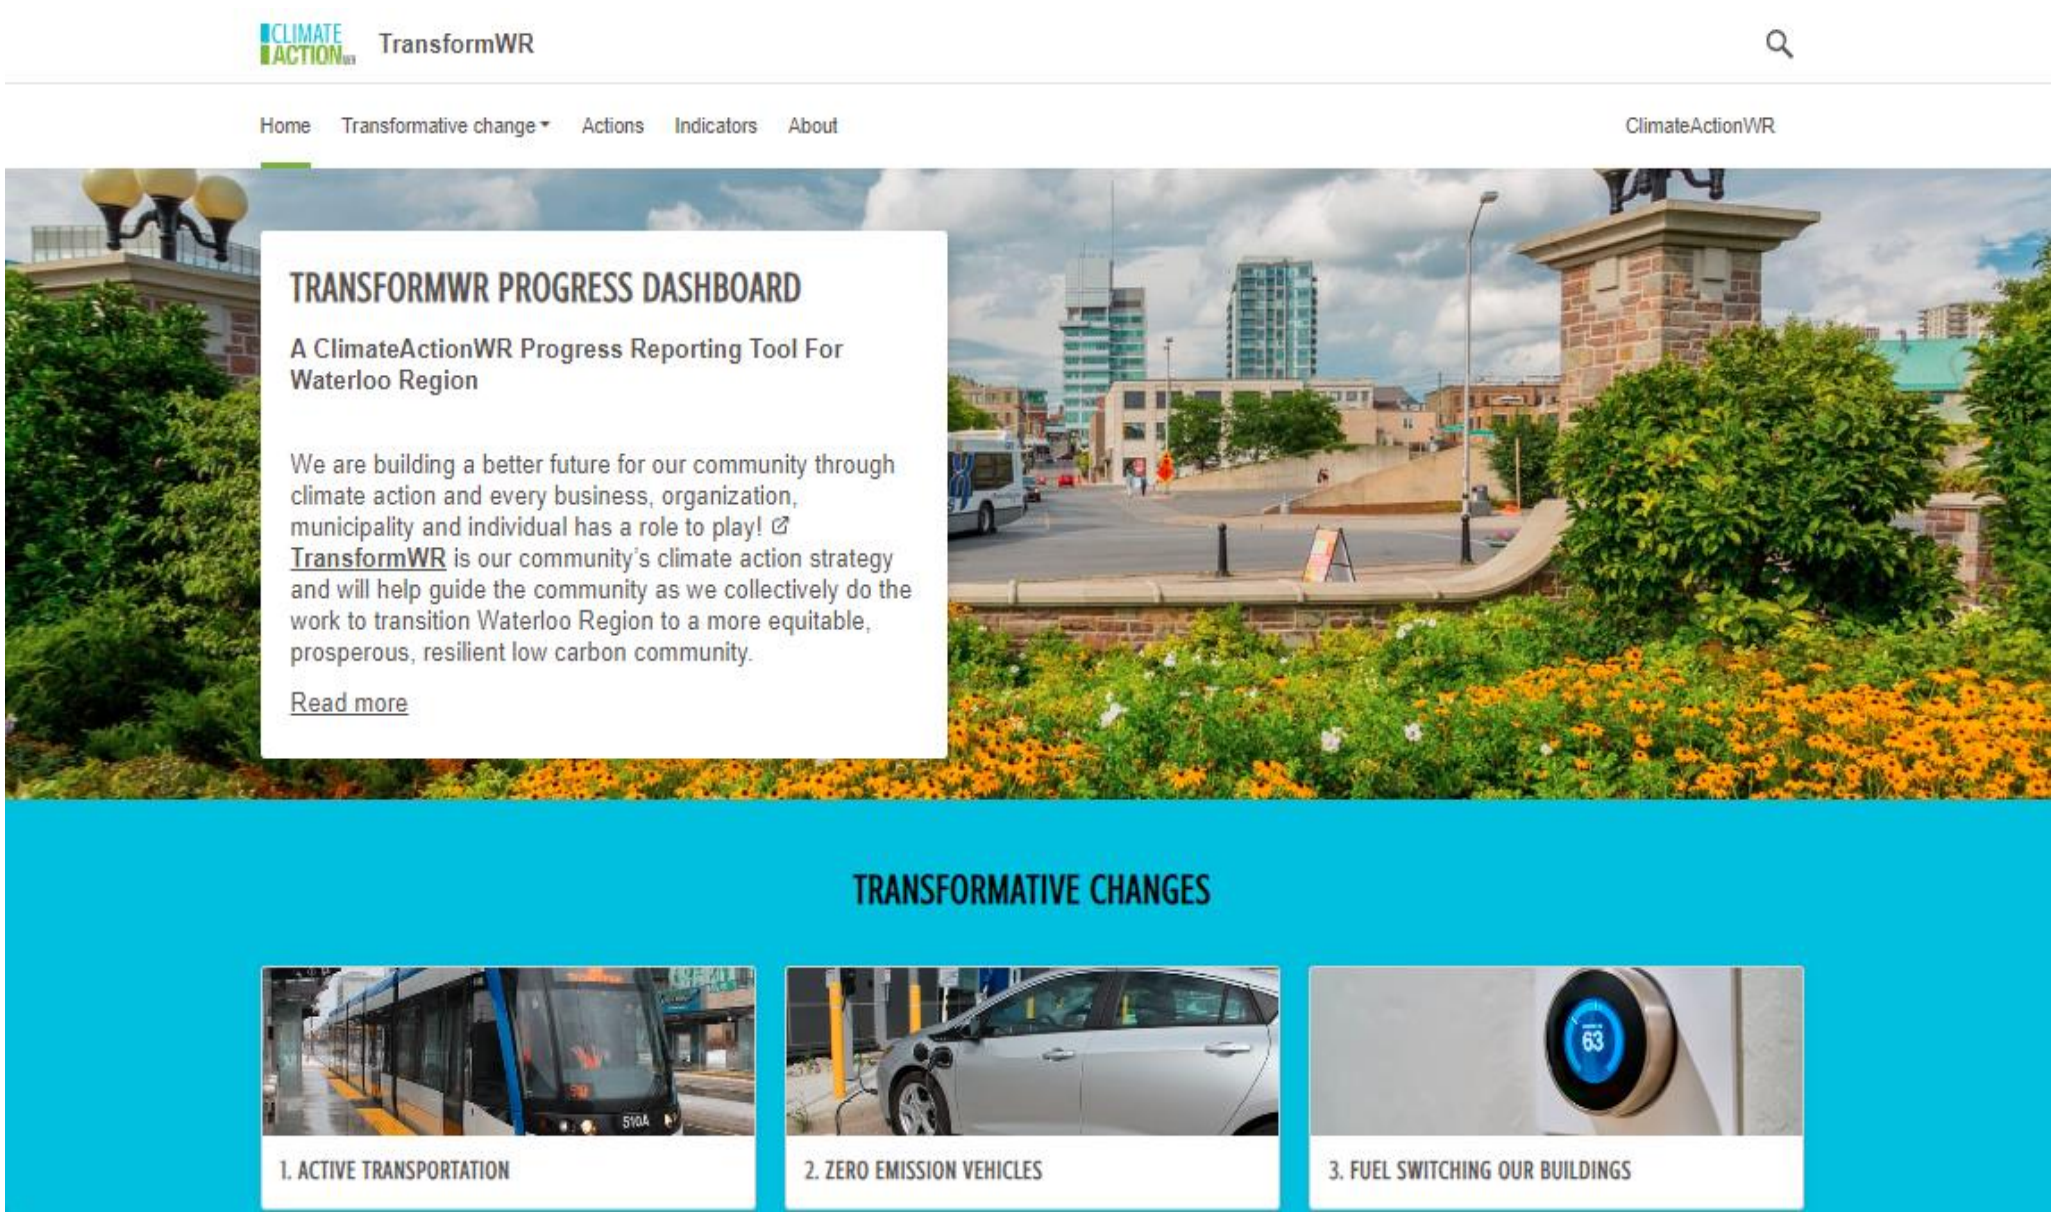
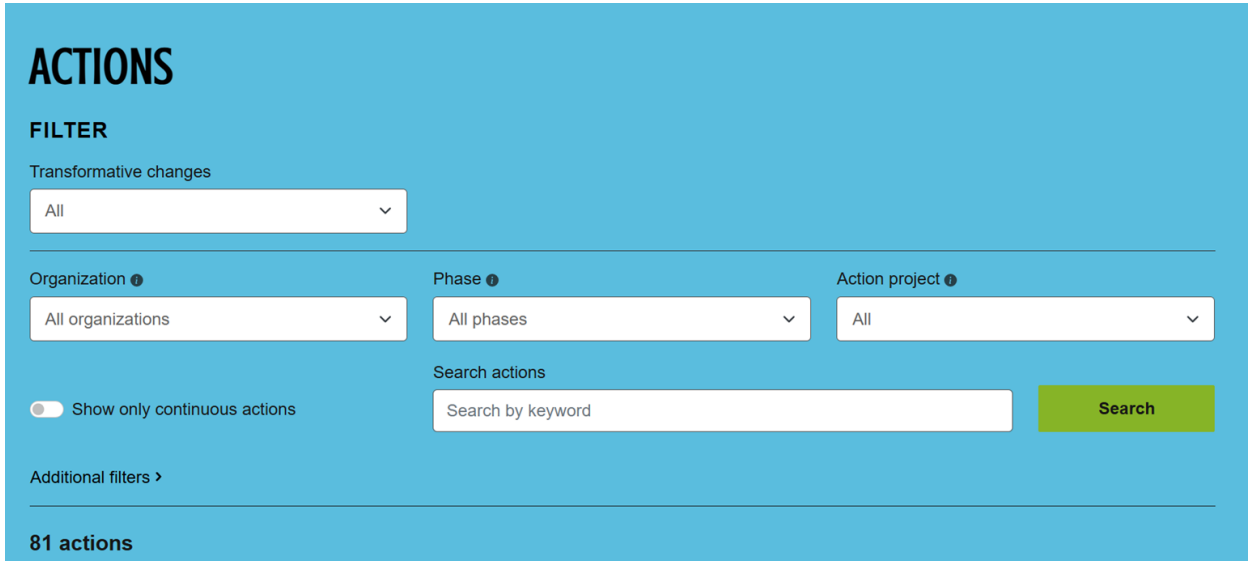
TRANSFORMWR DASHBOARD



TRANSFORMWR DASHBOARD

Dashboard Action Details

- Description of action
- Collective progress status
- Timeline
- Priority
- Responsible Organizations



Requirements for Action Updates

- Annual updates are requested in the fall
- Purpose is to provide a high-level summary of progress toward an action provided by a leading or participating partner
- Progress status of the Action changed by ClimateActionWR Plan Manager based on collective updates of all partners

Action Roles

- **Lead** - Responsible party for the action progress (in their jurisdiction)
- **Support** - A key stakeholder on an action but not in their jurisdiction to lead
- **Participant** - Lead by example or participate in a program under this action as an organization
