

Opposition to 96 Wood Street

I Live at [redacted]
directly opposite the proposed 9plex
apt. building. The very idea of such an idea
is DESTRUCTIVE TO OUR COMMUNITY!!

We know each other almost on a
first name basis. We are a neighborhood
of caring and helping each other. Families
are moving into this area, which incidentally
is a Heritage Area, and raising their
children. Older couples are moving in -
a quiet place to retire. Large green trees
and maintained well here.

Where are the 9 Plexers supposed to
park? There are only spaces for 2hr parking
on York st - a main through - st. way st
from Glasgow to Union. None on Mt. Hope
from York to Eden. Parking Over Night by
Permit only and a difficult intersection
at York and Wood. There is no room
for extra parking on proposed off st lot
in the corner of Wood & York!!

I have lived in [redacted]
for 3 for more than 30 years and I
say NO to FOOL HARDY PROPOSAL!!

I am: Edmund M. Mukvovics
