I have been a resident on Wood St. for over 60 years.

I am totally against the proposed redevelopment of this property into an 8 plex.

The property is NOT large enough to support this kind of development and the parking associated with it.

The plan shows parking for 2 .. I remind you this is an 8 plex. Where do the other vehicles park on the road??

To grant this proposal would be a prerequisite to developers to buy up all the properties and redevelop them.

Turning this quiet area, near a hospital and schools into a high traffic area as properties get redeveloped.

Please do not allow this redevelopment of this property
