Good day City Council,

I would like to ask you to **support** the proposed renoviction bylaw.

Creating the Renoviction bylaw will **not** harm **respectful** landlords. We were able to hear this perspective from a delegate last week, who is a landlord, and **is in support** of creating a Renoviction Bylaw.

This bylaw will deter shady landlords from abusing/bullying good people, respectable tenants in our community.

This bylaw will protect tenants from being unlawfully evicted from their homes.

This bylaw will **protect our community's health and wellbeing** as a whole. Keeping more people sheltered in their **own homes** and off the streets.

This bylaw, is demonstrating to be assisting the communities of Hamilton, Toronto and now London, even in it's infancy state. It is effective in reducing the number of unlawful evictions in the name of "renovations".

Thank You.

Kind regards,
Chantal Stieler

P.S. Wishing you a restful/fun summer break!
