Hello,

I saw the sign for the minor variance application for 103 Joseph Street, and wanted to voice my support for this change. I am a neighbour living a couple houses down on Richmond Ave. I love living here and think that it is one of the best locations in the city (close to transit, DTK, Victoria Park, and more). This change to add additional units to 103 Joseph Street would allow more individuals/families to enjoy this wonderful location. Having more neighbours here would add to the vibrancy of our street and I welcome it!

Sincerely,

Josh Ricker-Rampersad
