Hi Mariah,

Thank you very much for your email and your phone call.

I am attaching my presentation slides.

The following motion is adapted from one recently passed by Town of Innisfil Municipal Heritage Committee, and is a suggestion for Kitchener Heritage.

That the City of Kitchener endorse the proposal by Architectural Conservancy Ontario (ACO) for a \$10M/year Heritage Helping Housing (HHH) grant proposal and that the Mayor write to the Premier, Minister of Citizenship and Multiculturalism, and Minister of Finance to urge that funding for the program be included in the provincial budget.

Hi Kae,

I am following up with some additional information regarding your upcoming delegation.

The agenda for the April 7, 2026 Heritage Kitchener meeting is scheduled to be published on March 26, 2026. To ensure your materials are included, we kindly ask that anything you wish to have circulated to the Committee (e.g., presentations,

reports, or a suggested recommendation) be provided **no later than Tuesday, March 24, 2026**. Materials received after March 26, would not be able to be added to the published agenda.

Following the Committee meeting, any motions arising from Heritage Kitchener are expected to proceed to Council on April 13, 2026. In order to give Council the fullest context and support their understanding of the Committee's recommendation, it would be very helpful if you were available to delegate on that date as well.

Please let me know if you have any questions, or if I may confirm you for both **April 7 (4:00 p.m.) and April 13 (7:00 p.m.)**.

Sincerely,

Mariah

Hello Kae,

We will work to have your item scheduled for the April 7, 2026 Committee meeting at 4:00 – 6:00 p.m.

Would you kindly provide me with any presentation materials or documents you would like circulated with the Committee's agenda?
