

Hi

Please see attached application form

- A written description of the proposed work, including material to be used, methodology, explanation for why the work is to occur etc. The more detail that can be provided the better.
- Photographs of the subject property itself and the area of work
- A cost estimate

Replacing existing Covered front porch with similar materials, exact dimensions.

The railing and deck/ceiling will be removed, followed by walls.

The work to be done because the existing structure is deteriorating and will soon become unsafe to occupy due to , water leakage and age.

Replacement like for like.

Wall: Siding

Windows same size

Wood railing

Cost estimate: \$20,000
