

## HSP Revised Affordable Housing Plan

1. Building has been moved further from Sandhills lot line and building. Was 3.4m (11'3") from the lot line where 1.2m (4') is required by zoning bylaw. Now 4.95m (16'2") from Sandhills lot line.
2. Residential units have been re-oriented to have substantial windows facing Queen Street and Benton Street and not Sandhills.
3. The stairs were moved to provide more wall space without windows in the section of the building closest to Sandhills.
4. The two units which have windows facing Sandhills have been recessed to provide an additional 1.5m (4'10"). The distance to Sandhills windows is 28'
5. Two additional parking spaces were added to the parking garage. Was 13 spaces, now 15 spaces.
